For the second part of your final, you will perform a scene or monologue selected by Mr. Young from *Nothing but the Truth*. You will be graded on the performance elements below. You are not expected to be memorized, however, you must know the scene well enough that you are able to move and speak freely without being encumbered by the script. You may use props for your scenes, and some students may be asked to act in more than one scene, but will only be graded on the scene they complete their written portion for.
