

A large red square with a white border, centered on a white background. Inside the square, the words "Poetry" and "Definitions" are written in white, stacked vertically.

# Poetry Definitions

# Definition of Poetry

Poetry: A piece of writing, typically short, that has rhythm and relies on emotions as a main focus

# Definition of Lyric

Lyric: Poetry that is typically abstract yet leans heavily on structure and rhythm and spotlights emotion

# Definition of Narrative

Narrative: Poetry that examines a story more closely and intimately

# Definition of Dramatic

Dramatic: Like a narrative but instead of examining a story it reveals a characters emotion in a deeper more intimate way

# Definition of Prose Poetry

Prose Poetry: A typical poem, except without the structure and sometimes without rhythm. It's formatted in one paragraph ( sometimes two ) and it usually employs the heightened language of poetry.
